

Pledge for # I Am Saving My Beach#

- I understand that a clean and healthy Ocean is vital for life on earth
- I understand that the Ocean must be protected from pollution and waste
- I understand that my behavior impacts the environment
- I understand that I have the power of choice
- I understand that my efforts will make a difference
- I pledge to collect the trash and leave no litter on the beaches
- I pledge to spread awareness about the harmful impact of plastics on marine life
- I pledge that I shall strive to adopt environment friendly lifestyle and implement seven theme of mission life – Save Water , Save Energy, Say No to Single Use Plastic, Reduce Waste, Reduce e-Waste, Adopt Sustainable Food Systems and Adopt and Healthy Life Style
- I pledge that as part of #एक पेड़ माँ के नाम or # Plant4Mother, National Campaign, I will plant a tree in my Mother's name and for Mother Earth.
- I pledge to contribute in practicing and promoting environment friendly and sustainable lifestyle for protecting Mother Nature.
- I pledge to live in harmony with nature.
